

## One-Year LifeGroup Growth Plan

**Four Growth Areas:** As we plan to help people grow deeper in their faith, we realize that the most practical way to do this is to help them grow in the many types of relationships they have. Here at Lincoln Berean Church we focus on helping people grow in four basic relational areas of their lives: their relationship with God, their family, Christian friends, and the world. Take some time to think through the year and consider how you might help the members of your LifeGroup grow in these four areas.
