BUS RULES

Our chief concern on the school bus is to insure the safety of each rider. If the driver is being distracted by a discipline problem, he may be endangering all of the students. For this reason, we give our strong support to the rules which the bus companies request that each rider observe:

1. Observe the same conduct as in the classroom.
2. Be courteous.
3. Do not use rude, crude, or profane language.
4. Do not eat or drink on the bus.
5. No radios/CD players/video games/cell phones.
6. No animals are permitted on the bus.
7. Keep the bus clean.
8. Cooperate and respect the driver.
9. Do not be destructive.
10. Stay in your seat.
11. Keep head, hands and feet inside bus.

Safety Considerations

Exact location of bus stops within the parking lots is at the discretion of the bus driver based upon local conditions and safety considerations. There can be no stops other than those listed.

Schedule Changes

The bus schedule is reviewed periodically, and there may be some adjustments to the schedule and routing based on participation. A continuous effort is made to promote increased ridership.

Schedule is subject to revision after September. Please check website for most current schedule.
