## Tuition Policy:

- Tuition is due on the first day of each week. A weekly late charge of \$10 will be added to your fee if payment is not received as scheduled.
- Two weeks written notice must be given for any withdrawals prior to the end of the school year because the hiring of teachers and staff and the ordering of classroom materials are based upon anticipated enrollment.
- Tuition that becomes **two weeks past due** will subject the student to being withheld from attending school.
- Because tuition is calculated on an annual basis, no adjustments will be made for snow days or other unscheduled closures.
- An after-hour fee of \$1.00 per minute per student will be charged beginning at 6:01 p.m. for full-day classes and at 11:46 a.m. for half-day classes.
- A \$25 returned check fee will be charged on all returned checks.

## Holiday/Vacation Policy:

- **Full-day Program**—The first week of school is the **only** prorated week followed by 40 weekly payments. Full-day classes do not meet the week of Christmas. Families may opt to choose one week of vacation at no charge in which child does not attend. This vacation week must run Monday through Friday, and a two week written notice must be provided in advance. If your child is absent for a full week, you may choose to pay the tuition fee and save the vacation week for another time.
- **Half-day Program**—The first week of school is the **only** prorated week followed by 38 weekly payments. These classes do not meet the weeks of Christmas, New Year's and Spring Break. There are no optional vacation weeks offered at no charge.

## Additional Fees:

During the course of the school year, other expenses may be incurred for various services or activities, such as field trip fees. Notice of at least two weeks will be given before such a fee is due, and participation in the activity is optional.
