

Southwest Junior Academy

The Christian Academy Story

In 1976, Christian Academy began with 120 students in two rented church facilities and has grown to serve almost 3,000 students on four campuses in Louisville and Southern Indiana. Throughout this amazing growth, God has provided certain people with different gifts at different times, but always in His timing.

Developing Students with a Heart for God

The mission of the Christian Academy School System is to develop students with a heart for God who grow as Jesus did in wisdom, stature and in favor with God and men. Developing a heart for God means that Christian Academy focuses, with great intentionality, on four core pillars, Spiritual, Intellectual, Social and Physical, so that students are taught from solid, Biblical principles how to integrate God's Word into critical areas of their lives.

Christian Academy
SCHOOL SYSTEM

education with a Higher purpose

Christian Academy School System admits students of any race, color, national or ethnic origin to all the rights, privileges, programs and activities generally made available to students of this school. It does not discriminate on the basis of race, color or national ethnic origin in the administration of its educational policies, admission policy, scholarship and loan programs, athletic and other school-administered programs.

Southwest Junior Academy

*Train up a child in the way he should go;
even when he is old he will not depart
from it. (Proverbs 22:6)*

As current research reveals, early childhood is the most important time of development in the life of young children. The goal of the Southwest Junior Academy is to stimulate each child's physical, mental, emotional and social development while maintaining a strong spiritual emphasis.

The philosophy of our Scripture-based curriculum is that young children learn best by doing. With the understanding that play is their "work," a balance of child-initiated and teacher-directed activities help to prepare the children for future academic growth and development.

Program Highlights

We seek to provide a loving, Christian environment by Christian teachers who celebrate the individuality of each child and recognizes each as a precious gift created by God.

All programs are in preparation for Kindergarten with special emphases on phonics, math, music and handwriting, and the weekly chapel service is centered around the weekly Bible story. We also offer enrichment classes in music, PE, computer, Spanish and library.

There are many opportunities for family involvement and participation with an active Parent Teacher Organization.

Program Certification

The Southwest Junior Academy is a member of the Association of Christian Schools International (ACSI) and is licensed by the State of Kentucky.

The Southwest Junior Academy provides an environment where little ones grow and learn, make good friends and become closer to God every day.
